

Kinkead Ridge 2006 Red Revelation Winner Red Wine Category First Annual Ohio/Michigan Wine Clash!

“Let me be the first to congratulate you on the showing of your wine at the First Annual Ohio vs Michigan Wine Clash. From **nearly sixty wines**, all from grapes grown within the respective states and carefully selected for quality, your wine wowed separate panels of tasters in Ann Arbor and Columbus. This is the first-ever purely consumer-selected and run wine competition in either state and we had tasting panels of accredited wine professionals, retailers, restaurateurs and wine enthusiasts. We hope that this competition, held in celebration of the legendary OSU/UM gridiron rivalry, will serve to raise awareness, demand and quality of wine in both states.” Andrew Hall, www.cellartracker.com
